

LISA PLOTKIN, LCSW

Directions to my new office at 561 West Chocolate Avenue, Hershey, PA

From Harrisburg and points west:

Take Rt. 422 east until you pass the Hershey Lodge on your right. Continue on Rt. 422 until you cross Hockersville Road (you will go through a stop light and see the CVS pharmacy on your right). Bear left until you see Orchard Street on your right and the “Hershey Auto Center” on your left. Turn left into the Hershey Auto Center’s parking lot and then turn left again at the end of the auto center’s parking lot into an alley. Go to the end of the alley. Our parking lot is the last one on the left, next to the parking lot for a “foot specialist.” (561 West Chocolate—it’s an older brick house). You can park in the lot and enter through the back of the building.

From Palmyra and points east:

Take Rt. 422 west. After you pass a Rite Aid and Simmons Motel on your right, look for 537 W. Chocolate Avenue, which is a dental office in a white house. (Look for a sign that says “Dentist” and has white tooth beneath it.) Turn right into the parking lot adjacent to this office and continue until you reach an alley. A yellow metal post marks the entrance to the alley. Turn left into the alley and continue until you reach our parking lot, which is the last one on the left (561 West Chocolate—it’s next to a parking lot for a “foot specialist”). You can park in the lot and enter through the back of the building.
